

MRS KANUPRIYA WAHI
PRESIDENT AFFWA (L)
CHAIRPERSON
SCHOOL MANAGEMENT COMMITTEE

The Blooming Buds Play School, an apt name for the clam shell that nurtures a pearl. Our lovely school is the first step in a long and exciting journey on which the lovely Buds shall embark upon. These wonderful Buds in their journey full of fun and adventure will pick up early lessons of life, humanity and knowledge to become majestic trees in life full of wisdom and skills. The little students of Blooming Buds are military leaders, scientists, engineers, teachers, politicians and corporate honchos of future.

It is extremely satisfying to see Blooming Buds Play School stand tall as numero uno in the capital city of Coimbatore with excellent location, secured neighbourhood, good infrastructure, state of art teaching aids, an extremely dedicated faculty and a very healthy student teacher ratio. It's not surprising to see ever rising enquiries for admission and it's equally painful to deny admission. In days to come, we aim to have additional infrastructure to make more Buds join our beautiful garden.

With immense pride and sense of excitement, I concede that the year 2023 - 2024 has been a wonderful year of learning, full of fun activities and games. The efforts of all teachers and the support staff of the BBPS stand vindicated. It is extremely satisfying for the Blooming Buds Play School to be adjudged as the Second Best Play School in the Training Command.

The BBPS school magazine preserves the spirit of School by freezing the moments and activities at the school. Many years later our young achievers would be able to turn the pages of this memorabilia and recollect that it all started at the Blooming Buds Play School. They will realize that the key lessons of life and the value system they have imbibed were initiated at this wonderful institution. As we embark on yet another journey holding hands of our spirited students, I wish the students, parents and the faculty Good luck and Godspeed.

WG CDR DUSHYANT KUMAR KHAIRA
OFFICER IN CHARGE
BLOOMING BUDS PLAY SCHOOL

Dear Parents and Students,

It is a great pleasure to be the Officer-in-charge of Blooming Buds Play School. Our school was started in 2005 and has developed steadily to become the best in the vicinity. Our school has the finest teachers and staff, and we provide all the necessary aids to ensure that the child receives the top education possible with the motto, learn as you play & play as you learn.

We believe that early education plays a crucial role in a child's life. It is during this time that children develop their cognitive, social, and emotional skills. In the vibrant corridors of BBPS, each step resonates with the promise of knowledge and the laughter of eager minds. Within the educational realm, every child unfolds a unique story, and each lesson unveils an exciting plot twist. In the whimsical preschool domain, the air is filled with giggles and the pitter-patter of tiny feet engaged in a symphony of playful activities. Our teaching philosophy involves guiding, inspiring, and creating an environment where knowledge flourishes, curiosity thrives, and each child's potential is nurtured for a successful journey ahead towards being responsible citizens and contributing to nation-building.

The academic year 2023-24 has been a year of change, wherein several new initiatives have been institutionalised while we continue with the methodical child pedagogy. Our school is committed to providing a safe and nurturing environment where the child can learn and grow. We believe that every child is unique and has a personal learning style. Our teachers are trained to identify each child's learning style and provide personalised attention to help them reach their full potential.

As we complete nineteen glorious years of service for the populace of Coimbatore, we are proud of our school and the role it plays in shaping the future of our children. Our school has attracted toddlers from various strata of society, and the quality of education which is imparted by the school is evidenced by the persistent increase in strength year after year and the inspiring feedback from the parents/guardians.

I take this opportunity to express my earnest gratitude to the parents who have been enormously supportive in the accomplishment of this academic session as they, along with our teaching team, made enormous efforts to shape the nation's future foundations.

K SHANMUGAPRIYA ELANCHEZHIAN
SCHOOL IN CHARGE
BLOOMING BUDS PLAY SCHOOL

It gives me immense joy as a School In Charge of Blooming buds Play School, I take pride in narrating our school's accomplishments. The credit for our achievements goes to the combined efforts of numerous individuals who have played a crucial role in bringing us to this pinnacle.

Initially, my gratitude goes to the skilled hands that have shaped this structure from its inception to the present moment. From well-equipped classrooms to interactive play areas every corner of our school is designed to encourage exploration and learning through play. I am proud to say that we have assembled a team of finest educators who are not just teachers but mentors, guiding our students towards excellence. The vital contributions of our super-talented teachers and compassionate caregivers play a pivotal role in fostering and moulding the holistic development of our younger ones.

Our teachers contribute to the development of various skills in children by implementing interactive activities, fostering social interactions, encouraging creativity, and providing individualized support. They play a crucial role in developing cognitive, motor, social, and emotional skills through age-appropriate activities and positive guidance.

Celebrating various festivals, National days, Sports day, Annual day, Van Mahotsav day, Graduation ceremony, and colour days in a playschool environment can enhance social, emotional, and cognitive development in children. It promotes cultural awareness, teamwork, physical activity, creative expression, and a sense of accomplishment, contributing to holistic growth and a positive learning experience.

We believe that learning extends beyond the classroom walls. So we have organised monthly visits for our young learners to places like museums, hospitals, fire stations, and parks etc. It provides them with firsthand exposure to diverse environments, fostering curiosity, social skills, and a practical understanding of the world around them. These visits can contribute to the overall educational and developmental journey of the Blooming buds.

I extend heartfelt appreciations to our dedicated parents for their support and collaboration. We consistently engages with them, embracing their suggestions and input, thereby incorporating new ideas and facing fresh challenges with enthusiasm.

I express my gratitude to the Management for their prompt assistance in organizing essential elements to ensure the seamless operation of the school. Their visionary leadership and

ANNUAL REPORT: BBPS

2023-24

I am delighted to share with you the noteworthy developments that have taken place at our school during this academic year. These initiatives reflect our ongoing commitment to providing a nurturing and conducive environment for our students.

(a) We proudly initiated the national flag stage, fostering a sense of patriotism and unity among our young learners.

(b) A new school name board with focused lighting has been installed, creating a welcoming and vibrant entrance that mirrors the enthusiasm within our school community.

(c) To enhance the learning experience, we have organized educational visits every month, exposing our blooming buds to diverse fields of knowledge beyond the classroom.

(d) For better monitoring of CCTV cameras, the existing smaller screens have been replaced with a big screen, further fortifying our security measures and thereby ensuring the safety of our young learners.

(e) The library has undergone a significant renovation, aiming to create a stimulating space for reading and exploration of young minds.

(f) Adaptability to modern technology has been at the forefront of our vision. With this thought process in mind, we have introduced fee payment through QR codes, streamlining the process for your convenience.

Embracing the spirit of unity and joy, our play school believes in fostering a sense of community by celebrating the birthdays of both staff and students together. It's through these simple yet meaningful gestures that we cultivate a positive and vibrant atmosphere, nurturing the well-being and happiness of our entire play-school family.

To bring this budding future close to nature and to make them understand the importance of plants and trees, the school has organised a Vanmahotsav day in July.

To bring out the competitive spirit and the hidden talents in the ever-searching young minds, various competitions like colouring, rhyme recitation, fancy dress and story-telling were conducted. In this regard, I would like to mention here that 57 of our children participated in the colouring competition held by Radio Mirchi in October in which Baby Srinika from Class Daffodil got a special mention prize.

Besides planned routine activities, celebrating national days and festivals of national as well as regional importance are an integral part of our school curriculum which helps to develop national spirit and embrace cultural diversities. Our children participated and celebrated Independence Day, Republic Day, Children's Day, Diwali, Eid, Christmas, Onam, Pongal, and Janmashtami with zeal and enthusiasm.

We have also invited parents to participate in some of our events. Their presence and participation enhance the joy of these events creating lasting memories of our little ones.

It is our honour to share the delightful news that our school has been bestowed with the prestigious Second Best Award in Training Command.

These developments exemplify our dedication to continual improvement and excellence in education. We look forward to another year of growth and success for our beloved students.

I express my profound gratitude to Air Commodore Vikas Wahi Vishisht Seva Medal, Commandant AFAC and Mrs Kanupriya Wahi, President AFFWA (Local) for continuously guiding us in every aspect of our progress.

I sincerely thank our Officer-in-Charge Wg Cdr Dushyant Kumar Khaira, Team AFFWA (L) and Team AFAC for their unconditional support.

My gratitude and compliments to all the parents who were constantly there with us to make this endeavour an achievement.

Finally, my best wishes to all our lovely children, without whom nothing could have been possible.

Jaihind.

At Blooming Buds Play School, we prioritize diverse learning styles, embracing each child's uniqueness. Our multimodal approach caters to visual, auditory, and kinaesthetic learners. Visual learners benefit from interactive visuals, auditory learners engage through storytelling, and kinaesthetic learners thrive with tactile activities. We teachers are trained to identify and support these styles, creating a dynamic, inclusive environment. Celebrations and monthly visits to enriching places contribute to holistic learning experiences. Honoured as the second-best play school in the training command, our success is attributed to the collaborative efforts of our cohesive teaching team and the invaluable guidance of the school management.

When I look at my children I see unlimited possibilities. Wishing all the very best to my little sweeties

Our Outreach Initiatives

It's a sunny morning at Blooming Buds Play School. The classrooms are a streak of colours. Balloons float in the air, walls plastered with colourful art and piles of play paraphernalia beckon. While children hop, jump, and learn colours, shapes, and names of animals and plants from colourful visuals projected on the floor, another section enjoys the joys of reading at the library. Out in the sandpit, another group roams contentedly. "Would you like an ice-cream?" asks one, having set up her elaborate 'stall' on the edge of the sandpit. "They need time to play and be physically active. It's a time for creativity. Our goal is to make sure that the children are happy and responsible individuals," says Kanupriya Wahi, president of Air Force Families Welfare Association (Local). Besides adding a counselling room, orientation programmes and workshops for teachers, digital payments, a glowing name board that lights up the area at night, she has set up a library for children recently.

The Air Force Families Welfare Association (AFFWA) set up in Delhi in 1970 is an active organisation of every Air Force Station in the country. It was set up to empower the wives of Air Force personnel and provide them with training in various fields besides giving them a platform to showcase their skills. There are initiatives such as the tailoring unit, hand crafted work like knitting besides classes for music and dance. There is also the reading room and a small library. The AFFWA shop stocks products from across the country. "If someone makes candles, we train her to improvise. One of them makes knitted elephants, Santa Claus, flowers, to name a few, which are given away as gifts to guests. There is also an artist amidst them who surprised us with a beautiful water colour work. It gives a boost to their self-confidence."
